

Executive VOICE CORPORATE PROFILE

Run a full-page ad in the Jan/Feb issue of *Consulting-Specifying Engineer* and receive an Executive Voice Corporate Profile at no cost.

» **First things first...** contact your account manager to confirm your company's participation in the profile program.

» **Easy production...** no need to worry about the layout! Our designer will design your unique profile according to our standardized profile page format and send you an approval proof before publication.

» **Specifications...** all advertisers, regardless of ad size must supply the following:

- One head shot* of executive (minimum size 2 inches wide at 300 dpi resolution, tiff or jpg format)
- One company image of building exterior or interior (minimum size 3 inches wide at 300 dpi resolution, tiff or jpg format)
- One high res logo (300 dpi, eps, tiff or jpg format)

» **Profile text should follow these criteria:**

- Do not include a headline. Copy begins with initial drop cap.
- Full page — submit *no more than 350 words* total for the page; this includes the profile body, any captions, and required footer info (email, phone, and url).
- Half page- submit *no more than 225 words* total; this total includes the profile body, any caption, and required footer info (email, phone, and url)

* If no executive head shot is desired/available, a single product shot can be substituted, however small size and placement of image will be same as that of a head shot.

Contact your CFE Media and Technology marketing consultant to reserve your space.
